World-Way Aviation Partners with Go Rentals

World-Way Aviation, Brazil's premier FBO, partnered with business aviation car rental experts, Go Rentals, to bring special car rental rates to World-Way Aviation customers.

Go Rentals is an elite car rental company specializing in the business and private aviation industry and servicing fine hotels and resorts. Go Rentals will provide passengers with the same five-star services that have separated them from other rental car companies, including but not limited to:

- Carcierge service
- Aviation-trained staff focused on customized, one-on-one service
- All cars detailed and sanitized
- Paperwork completed pre-arrival for convenience
- Unmatched selection of vehicles
- Guaranteed make, model and color

As the largest FBO facility in Brazil, World-Way Aviation supports the highest demands and expectations of the Brazilian private aviation soaring market. World-Way Aviation's convenient location in Sorocaba Executive Airport (SDCO) makes it the best gateway for business aviation operators seeking to avoid the restrictions and inflexibility of Sao Paulo downtown airports. World-Way Aviation offers its passengers a variety of luxurious amenities, including but not limited to:

- State of the art VIP lounges
- Deluxe executive conference rooms
- Luxurious hotel style suites
- Fitness center
- High level of safety and hospitality

According to Ana Recart, CEO of World-Way Aviation, "World-Way Aviation always strives to provide convenience and customer support to every client, and we knew that a partnership with globally-expanding Go Rentals would only enhance passengers' overall experience." She adds, "Our companies will help each other excel in our shared commitment to quality service and standards of excellence."

About Go Rentals

Go Rentals is an elite car rental service company, with special emphasis on service. The company is also the only one specializing in the private jet industry since 1995. Still a family-owned and operated business, Go Rentals has locations in Arizona, California, Colorado, Nevada, Texas, Massachusetts, Utah, Florida and New Jersey, and service to over 50 airports and various fine hotels and resorts. Further information about Go Rentals is available online at GoRentals.com.

About World-Way Aviation

World-Way Aviation is an independently owned premier Fixed Base Operation (FBO) established in Sorocaba Executive Airport (SDCO). World-Way Aviation's mission is to provide total support to transient aircraft and base tenant operators through our

commitment to the highest standards of safety, security, service, and excellence. Further information about World-Way Aviation is available online at WWAviation.com.br.
